Commissioner for Patents

Dear Sir:

In response to the Office Action of August 26, 2005 and in reviewing the previously filed Information Disclosure Statement which was submitted on December 29, 1998 and also resubmitted on July 1, 2005 for failure of Form-1449 being initialed and returned to Applicants' attorney, we have realized that there is a typographical error in the UK Application No. on Form-1449 listing "Copy of United Kingdom Search Report of UK Application No. GB 9806006.4".

Enclosed herewith is a new Form-1449 listing the correct UK Application No. GB 9713190.8, along with a copy of the United Kingdom Search Report of UK Application No. GB 9713190.8 (which was also submitted on 12/29/98 and resubmitted on 7/1/05).

Applicants' attorney requests that the Examiner considers and initial Form PTO-1449 and return to Applicants' attorney by the Office.

No fee, statement or petition is deemed necessary for the return of the initialed Form PTO-1449, because of a typographical error that was submitted before the mailing date of the first Office Action.

Should the PTO believe that any issues remain that can be resolved in a telephone interview, the PTO is urged to call Applicants' undersigned attorney.

Respectfully submitted,
